GENERAL RULES AND REGULATIONS

1. VOTING -- On all issues that require a vote of the entire Association, one vote may be cast per unit.
2. BILLING PROCEDURES -- You will be sent a quarterly statement which will include your quarterly assessment, maintenance charges, etc. All assessments are due and payable the first of each quarter whether the statement is received or not. Whisperwood fiscal quarters begin April 1, July 1, October 1 and January 1. In addition, when committees require it, you can be sent a Notice of Special Assessments.
3. POOL -- A complete set of pool rules is contained in this booklet.
4. Each unit owner is responsible for the maintenance, repair and replacement of all portions within his individual unit.
5. All portions of the condominium property common areas are owned by all members of the condominium owners' association collectively. The responsibility for maintaining, repairing or replacing is to be borne by the association and paid for from the quarterly maintenance fee which is paid by each owner.
6. Rules for lease/rental of a unit are contained in this booklet.
7. Rules for sale of a unit are contained in this booklet.
8. Rules for landscaping/flowers/bushes are included on the following page.

WHISPERWOOD/HIGHLANDS CONDOMINIUM ASSOCIATION, INC.

LANDSCAPE RULES

The Board of Directors requests each unit owner to follow the procedures below prior to placing any trees or plant material in the grounds of Whisperwood.

1. Discuss with the Grounds Committee or a Board Member what is proposed and the location where material will be planted.
2. The approval by the Grounds Committee and Board of Directors will include a statement that the unit owner and/or unit owner's contractor is fully responsible for any damages to irrigation, electric lines, piping as well as all utility lines.
3. Prior to any work being performed, it is suggested that CANDY be called at 1-800-282-8881 to locate all utility lines in the area. CANDY is the code name for a County representative who has full information on underground utility, cable, phone lines.
4. The Grounds Committee will assist in locating irrigation, electric and piping.

The Board of Directors will appreciate the cooperation of all unit owners.

EMERGENCY INSTRUCTIONS

Every unit should have on file with the President and the Managing Agent the name(s) of person(s) who should be contacted in the event of an emergency with the understanding that such person will provide access to the concerned unit.

ARCHITECTURAL, CONTROL REQUEST FORM PROCEDURE

Any owner desiring to make any changes or improvements to any common or limited common area must request and obtain approval for the change or improvement from the Board of Directors. The proper procedure for this is as follows:

1. Submit to the Board of Directors, a complete description of the improvements with a drawing, photograph, or catalog picture/specification, as necessary, attached to a filled out improvement application form. If approval of the improvement is required by any other resident or owner, such approval, in writing, shall be submitted with the application form.
2. The Board of Directors will review the matter at its next scheduled monthly meeting and the application will be approved, disapproved, or additional or alternative recommendations for the improvement will be suggested. The owner will receive a copy of the notice of same within ten (10) working days from date of meeting. The Proposer(s) may appear before the Board.
3. The owner should inform his personal insurance carrier of the improvement and its value to add to their personal coverage, if applicable.
4. Any change or improvement made by an owner is the responsibility of the owner for its maintenance, repair and/or replacement.
5. Unauthorized changes or improvements may be removed or restored to original condition at the discretion of the Board of Directors and at the expense of the owner.
6. If changes or improvements are approved, the Proposer(s) shall, as evidenced by the commencing of such work, agree to hold the Condominium Association and all owners and residents harmless from all liability and injury sustained by them by reason thereof. Owners should obtain Workers Compensation Certificate prior to commencement of any work. A copy of this Certificate to be submitted to Board of Directors.

The purpose of the Architectural Control approval is not to discourage improvements but to control the nature of improvements to those that enhance value and conform to the overall aesthetic appearance of the condominium. This control should be looked upon as a protection of your investment, not as a nuisance. The Board of Directors and the Association members are in favor of improvements and hope that owners will desire to personalize their homes, as it will ultimately add value to all owners/members ownership

Forms for improvement applications are available in the management office.
